LESSON: THE CONVERGENCE OF THE WORD

THE CONVERGENCE OF THE WORD

The Word is a collection of books, written over 4,000 years, inspired by God.

If Jesus knew the Bible, and we are to be like Jesus, we need to know the Word as well.

When the Spirit of God and the Word of God converge, new creation is born.

Before we converge with culture, we need to know Heaven's culture.

Start your day converging in the word

With compassionate non-conformity, people _____ your company, but are challenged to be more.

Your world is the mission to be honored, engaged, and influenced.

How are you currently engaging culture?

How is it difficult to stand in truth for you?

LESSON: THE CONVERGENCE WITH OUR WORKS

Our works must be salt and light

Salt preserves, flavors, and heals

Light dispels fear, comforts, sustains life

How are you being salt and light?

Why are you being salt and light?

Why does this matter to those around you?

What's at stake when you aren't salt and light?
